

Dietitians in Action

October Volunteer Newsletter

OCTOBER IS BREAST CANCER
AWARENESS MONTH

Volunteering as a CAND member is a great way to give back to your community, highlight the importance of nutrition professionals, and even meet potential clients. These opportunities are open to Registered Dietitian Nutritionists, Nutrition and Dietetic Technicians, Registered (NDTR), Dietetic Students or Interns, and individuals with nutrition interest. If you are interested in volunteering, please consider participating in one of these events!

Meet Your New Volunteer Co-Chair

My name is Aryn Doll, and I am the new Volunteer Coordinator Co-Chair for CAND. I recently moved to the Denver area after accepting a Clinical Dietitian position with Avista Adventist Hospital in Louisville, CO. I completed my dietetic internship at the Medical University of South Carolina in Charleston and earned my bachelor's degree at Indiana University. I have a passion for wholisitic nutrition and am an active member of the Dietitians in Integrative and Functional Medicine DPG Practice Group. During my free time, I enjoy all things outdoors including hiking, biking, running, and paddleboarding. I am very excited to be the new Volunteer Co-Chair and am looking forward to a great year!

Interested In Becoming a CAND Board Member?

Ever thought about getting involved with your state affiliate? Volunteering to become a CAND board member is a great way to meet fellow dietitians and make a difference in your area. For more information about open board positions contact Jamie Bommarito at eatrightcolorado@gmail.com.

Colorado School for the Deaf and the Blind
