

Dietitians in Action

March Volunteer Newsletter

Celebrate National Nutrition Month and National RDN day (March 14th) by giving back to your community! Volunteering is a great way to highlight the importance of the RDN. Thank you for your wonderful work as a Registered Dietitian Nutritionist!

Happy National Nutrition Month

FEATURED OPPORTUNITIES

Cooking Matters

Nutrition Educators

Individuals needed to teach skills to community members on ways to stretch their food budgets and cook healthy meals.

This is a statewide need that is ongoing so plenty of opportunities to volunteer when the time is right!

9 Health Fair

Nutrition Volunteer

9News is looking for 3-4 RDs or DTRs to help answer phones during their call-in service on March 19th from 3:45pm to 5:30pm. Individuals will be invited to call-in with questions about nutrition for seniors. Those who have knowledge of SNAP and anyone who works closely with the elderly population in facilities such as nursing homes or skilled nursing facilities are preferred but not required. This is a great way for us to promote RDs and DTRs as the nutrition experts to our community!

FEATURED OPPORTUNITIES

Colorado Academy of Nutrition and Dietetics

Annual Conference

Conference Details:

The 2018 Colorado Academy of Nutrition and Dietetics Annual Conference will be held on Friday, May 4th, 2018 in Keystone, Colorado. This year, the annual conference will be taking place prior to the annual Sports, Cardiovascular, and Wellness Nutrition (SCAN) Symposium which will also be held in Keystone

The theme of this year's annual conference is "Build the Brand: Marketing Registered Dietitians as Colorado's Nutrition Experts". Please join us for a day filled with informative sessions on connecting Registered Dietitians with today's consumers, as well as other informative sessions pertaining to the dietetics' profession. Agenda, registration costs, and more details to come soon.

Student Poster Session:

The 2017 Annual CAND Conference and Expo is still accepting proposals for the student poster session. To submit a poster proposal or find out more information contact Jon Padia at padia_j@cde.state.co.us.

DATE: Friday, May 4, 2018

LOCATION: Keystone, Colorado
